# CALL FOR SUBMISSIONS

## Through the Creative Lens of Youth

CREATIVITY · JUSTICE · SOCIAL CHANGE

This is an invitation to youth: Find your voice. Produce a film and share your vision for a promising future. Incite positive change. We are looking for films that shed new light on issues that youth face every day. Tell inspiring stories about your struggles and joys, innovative ways of overcoming challenges, or world-changing and mind-boggling ideas. Show ordinary kids doing extraordinary things to make their world a better place.

Your film can be a drama, documentary, interview, animation...anything you can imagine. The top films will be showcased at the *16th Annual Idaho State Prevention Conference* in Sun Valley, Idaho, April 16 - 18, 2009. The submissions will be judged on entertainment value, technical merit and the message they portray. Films must be under 5 minutes in length (including titles & credits) with original music or music you have permission from artist to use.

**SUBMISSION DEADLINE: MARCH 15, 2009**

Please submit your film in digital format (DVD Minus) labeled with your school or organization, person submitting and contact info. Also include a completed entry form. Visit [www.TrainingWeal.org](http://www.TrainingWeal.org) for application forms. Got a question? Contact: [Kim@TrainingWeal.org](mailto:Kim@TrainingWeal.org). Please test your recording before sending to: Kim Holl, 13303 146 Ave KPN, Gig Harbor, WA 98329

CELEBRATION · DIVERSITY · CONNECTION

IMAGINATION · PEACEBUILDING · HOPE · POSSIBILITIES · INSPIRATION

**International Training Associates** acts as organizational and community catalysts, transforming apathy into action, inspiring advocates for positive social change.
